2 I, Paul Wang, hereby state and declare:

- 3 1. I am one of the several named plaintiffs in this case. I have personal knowledge of
4 the facts stated in this declaration, and if called upon to testify, could and would
5 competently testify thereto. I make this Declaration in support of a Motion to
6 Withdraw Class Representatives.
7
- 8 2. This case was filed on my behalf in the above-entitled action on March 11, 2011 in
9 the Superior Court of California, County of Santa Clara.
- 10 3. When I agreed to be class representative in this case, it was explained to me that I
11 would have to participate in discovery, and give a deposition and possibly testify at
12 trial. I also knew I might have to respond to written discovery that the defendant,
13 Facebook, would serve on my attorneys.
14
- 15 4. I agreed to be a class representative because I didn't like the idea of Facebook using
16 my image and name to sell products to my Facebook friends, without my
17 permission.
18
- 19 5. It is and was my understanding, that the case can continue without me because there
20 are several other persons, none of whom I know personally, who are acting as class
21 representatives.
- 22 6. I have determined that I would prefer not to devote the additional time which will be
23 required to participate in the case, including having my deposition taken and
24 possibly testifying at trial. My work requires me to travel abroad, frequently, for
25 extended periods of time, such as right now, when I am in Japan. This makes it
26 difficult for me to commit to being available for necessary events in the litigation.
27

1 As a result, I no longer want to serve as a class representative.

2 I declare under the penalty of perjury and under the laws of the State of
3 California that the foregoing is true and correct, and that if called upon to testify, I
4 could verify the accuracy of the same. This document was executed on February 13,
5 2012 in Tokyo, Japan.
